

## **Positively Impact your Community!**

**Do you want to use your skills to impact your community while working as few as 200 hours annually?**

**Lake Superior Community Health Center is now accepting applications for Staff Dentist Positions.**

### **Improving Access to Quality Health Care for All**

*We meet our mission by providing patient-centered health care for the whole family - and the whole community.*

*Our experienced and friendly staff create a comfortable, safe environment for your medical, dental, and behavioral health care needs.*

#### **What We Offer:**

- We offer flexible schedules.
- We are open to seasonal schedules, working very limited part time (we do have a minimum of 200 hours per year), or working evenings or weekends.
- We offer the ability to work as few as 200 hours per year or as many as 40 hours per week.
