Below it, the text reads 'NO-COST TREATMENT PROGRAM' and 'A Partnership Between'. Three logos are displayed: the Superior Police Department, the Lake Superior Community Health Center, and the BJA's Comprehensive Opioid, Stimulant, and Substance Abuse Program. The address 'Superior - 2222 East 5th Street' and phone number '715-392-1955' are listed. At the bottom, the word 'HOPE' is spelled out using wooden blocks.

Our Substance Abuse — AODA Partnership

Only in Superior, WI | 715-392-1955

<https://lschc.org/patient-services/substance-abuse/>

Pathways to Hope is designed to offer treatment to individuals who are addicted to Methamphetamine, Heroin, and/or Opioids. The Superior Police Department has **partnered with the Lake Superior Community Health Center** to provide next-day access to treatment options.

There are two ways to enter the Pathways to Hope Program

Self-Referral

This option is for those who wish to receive treatment and have struggled either accessing treatment or lacking funding to afford it. Through this option, SPD makes treatment available to all Douglas County residents who want treatment, even if they cannot pay for it.

Criminal Diversion

Individuals who are arrested for an offense related to addiction meeting the remaining requirements would be eligible to enter the Pathways to Hope program to avoid spending time in jail. Upon successful completion of the program, charges stemming from the original arrest would be dropped.
