

MyChart is a great way for you to access information about your medical care and communicate with your care team. Through MyChart you can:

- Send and receive secure messages
- Request prescription refills
- Schedule appointments
- Pay health care bills

Sign up with an Activation Code

Your care team will provide you with an activation code and assist you in signing up for MyChart during your next clinic visit.

You can also use the activation code to sign up from a mobile device or computer after your visit.

Simply open the link provided in the text or email sent by the clinic to access the sign-up page.

Enter the activation code and your **birth date** to confirm your identity. Click Next

Choose a **username**. You can use your email address as your username or enter a new one.

Create a **password** for your account.

Choose if you'd like to receive **notifications by phone or by email** when new information is available.

Check the box to **accept the terms and conditions** for MyChart and your account will be created.

Sign up without an Activation Code

To sign up before receiving an activation code, go to: [Create a MyChart Account | MyChart](#)

Click on **Access My Chart** at the top of the page.

Click on the state where your clinic is located.

Search for **Lake Superior Community Health Center** and click on the **Sign up** button.

Enter the requested information. Fields with an * must be completed.

Follow the instructions to verify your identity and create your MyChart account.

Download the app to access MyChart on your mobile device
